Core:	Aqua stop HDF core	Panel Size:	1285x192x8mm
Box Size:	2.22m ² / 9 panels	Edges:	V-groove
Box weight:	16kg	Locking:	1 click 2 go pure

- A sophisticated, highly fashionable range with V-Groove edges to create an authentic wooden plank effect.
- The use of the 'Aqua Stop' core board offers a lower swell rate than regular laminates.
- The low gloss matt surface ensures a modern, chic appearance.
- 8 x Décors are available with colour co-ordinated skirtings, scotia's and profiles.
- 1 click 2 go pure, the latest innovation in locking systems, will significantly reduce installation time.
- Authentik is produced to the highest standards of the European Producers of Laminate Flooring and Approved by SAWLFA.
