Tru-Wood Origins is a thoughtfully engineered laminate collection created for spaces that demand both authenticity and resilience. Designed as a considered alternative to entry-level SPC, it offers the strength and stability of high-density wood fibre construction paired with a refined, natural aesthetic. The super matte, tactile surface captures the character of real hardwood, while the overall construction delivers long-term durability and dependable performance.

- Installed up to 15m x 15m without expansion profiles.
- Can be wet mopped.
- No telegraphing from minor subfloor imperfections.
- Extra wear and scratch resistance.
- Super matte EIR surface
- Waxed edges for extra water resistance.
- Unilin Click
- 8 x Beautiful Hardwood décors are available.
- TruWood Origins is produced to the highest international standards.
