WALL PANELS

acoustic veneer collection

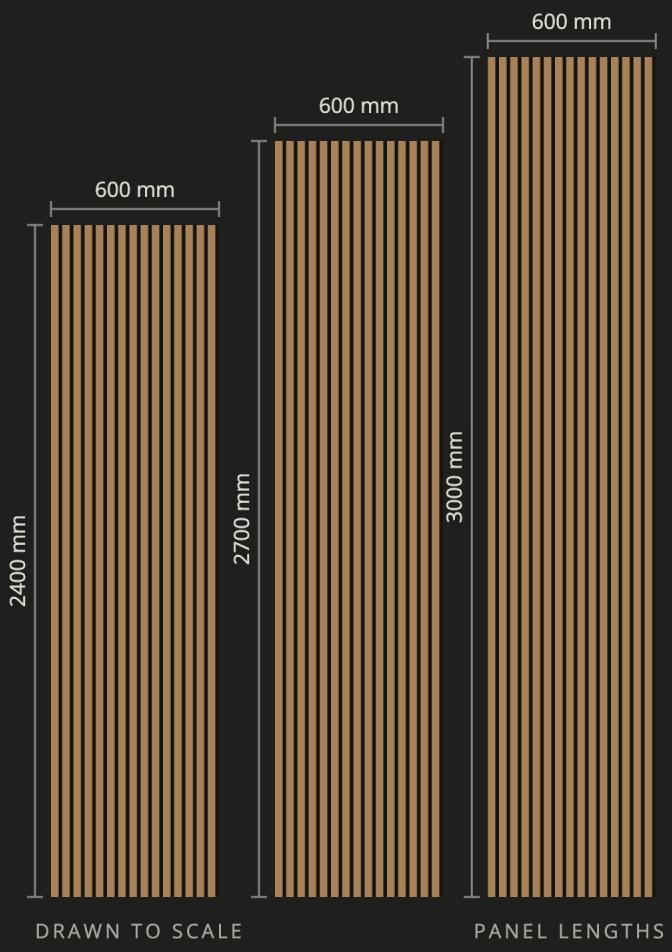

WALL PANELS – ACOUSTIC VENEER COLLECTION

Quiet, *by design.*

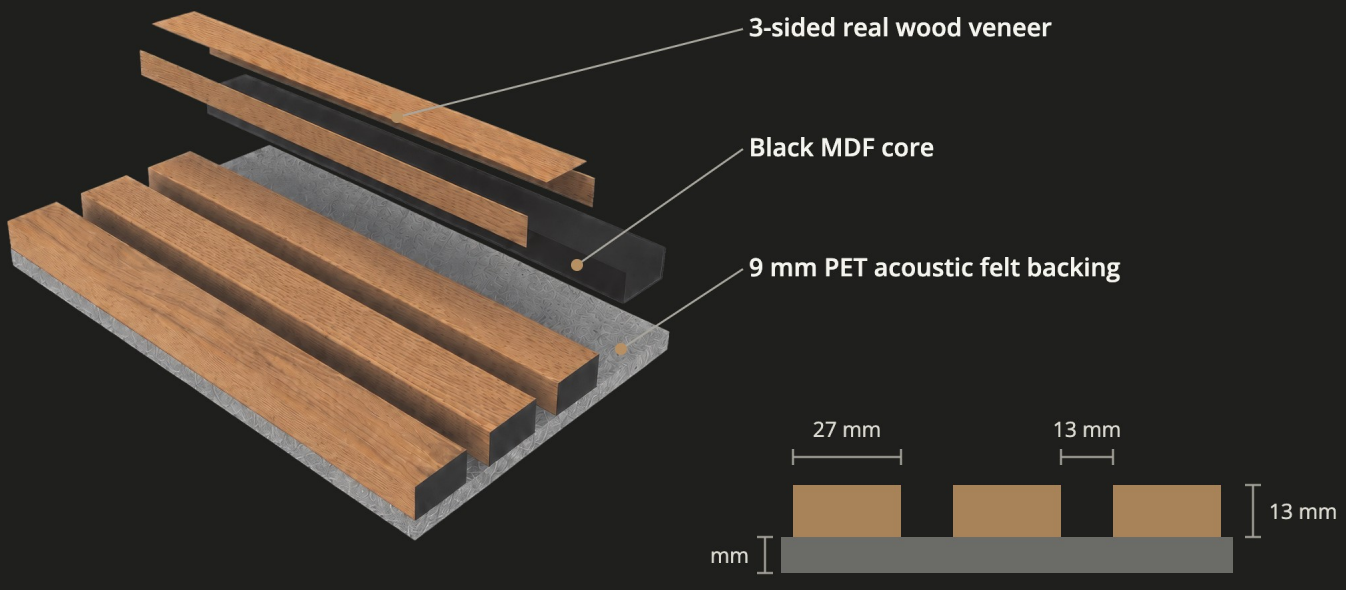

Real wood veneer slats on a 9 mm PET acoustic felt backing. The rhythm of the slats brings warmth and texture to a wall or ceiling, while the felt softens noise and echo, so living rooms, offices and hospitality spaces feel as calm as they look.

Specification & *sizes*

Slats	15 MDF slats per panel
Slat size	27 × 13 mm
Slat spacing	13 mm
Slat finish	3-sided real wood veneer
